

FALL 2025

Commencement

Greetings from President Landry

Members of the Class of 2025: On behalf of the University of Florida, I am thrilled to recognize your hard work and accomplishments in reaching this day. My deepest congratulations!

Today is a day of celebration and anticipation for the next exciting phase of your lives. I join you in thanking your professors, mentors, family and friends who have supported you in your journey.

I hope that your success at one of the nation's very best public universities gives you confidence in pursuing your boldest ambitions. I also hope that your experiences here—whether forming friendships, overcoming challenges or discovering new paths—have helped you develop humility and resolve, confidence and compassion. May you embrace what comes next with a generous spirit, a feeling of openness, and a commitment to shared solutions.

You have been important to this university. Your contributions to your classes and majors will benefit future generations of students. Thank you for being a part of our community.

I hope that you will look back on this period with fondness and appreciation, and that you will remain connected to UF as distinguished alumni.

Again, congratulations and Go Gators.

Donald Landry

Dr. Donald Landry

Donald Landry has served as the interim president of the University of Florida since September 1, 2025. Prior to his appointment, he was the founding director of the Burch-Lodge Center for Human Longevity at Columbia as well as Chair Emeritus of the Department of Medicine at Columbia University and past Physician-in-Chief at New York-Presbyterian Hospital/Columbia University Medical Center, leading the Department and the Medical Service from 2007–2023. He is also past founding director of the Division of Experimental Therapeutics.

Dr. Landry completed his Ph.D. in Organic Chemistry with Nobel laureate R.B. Woodward at Harvard University in 1979 and then obtained the M.D. degree from Columbia University in 1983. After completing his Residency in Internal Medicine at the Massachusetts General Hospital/Harvard Medical School, he returned to Columbia for training as an NIH Physician-Scientist, 1985–90, and remained as an active member of the Columbia faculty until his appointment to the UF presidency.

Distinguished Alumnus Award

Rick Scarola

*President & Co-Founder,
Covenant Capital Group*

Rick Scarola is the president and co-founder of Covenant Capital Group. He is responsible for setting the investment strategy for acquisitions and dispositions and is a member of the Executive Committee, as well as a voting member of the Investment Committee.

Over the past 28 years, Rick has overseen the acquisition and disposition of apartment properties for several companies, where he was directly responsible for identifying, evaluating, negotiating, and executing these transactions for apartment communities located in the Southeast and Midwest.

From 1998 to 2001, Rick served as an executive vice president with Brookside Properties, Inc., in Nashville, Tennessee. From 1985 to 1998, he worked for Insignia Capital Group and predecessor organizations, where he played a significant role in the disposition of over 15,000 multifamily units. These transactions involved 250 apartment communities valued at over \$2 billion. While at Insignia, Rick acquired

apartment properties under exclusive advisory agreements for Mid-America Apartments Communities, Inc., New Plan Excel Realty Trust, and Graystone Properties. He also serves on the University of Florida Real Estate Advisory Board and is a member of the National Multifamily Housing Council. Rick holds a Bachelor of Science in Business Administration from the University of Florida (1982).

Research Awards

RESEARCH EXCELLENCE PROGRAM FOR UNDERGRADUATES

The Research Excellence Program for Undergraduates is a campus-wide recognition for any UF student who has demonstrated exceptional research preparation and training during their undergraduate career.

Andrea Orozco-Torres

UNIVERSITY RESEARCH SCHOLARS PROGRAM

The University Research Scholars Program is a 4-year research preparation and experience program offered to the top 2% of entering first-year students annually.

THE COLLEGE OF NURSING

Dean Shakira Henderson

BACHELOR OF SCIENCE IN NURSING

RebeccaCarolynn Morris

THE COLLEGE OF PUBLIC HEALTH AND HEALTH PROFESSIONS

Dean Beth Virnig

BACHELOR OF HEALTH SCIENCE

Rismin Riyas *

BACHELOR OF PUBLIC HEALTH

Jadelyn Rose Daniels *

Emma Christine Gregory

Diplomas

Diplomas will be mailed to the graduates' diploma mailing address beginning in February of 2026.

*Cum Laude

**Magna Cum Laude

***Summa Cum Laude

(Cum Laude, Magna Cum Laude, and Summa Cum Laude are tentative and subject to final grades.)

Chain of Office

This custom-made ornament is worn with the president's regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion's centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university's sesquicentennial celebration in 2003. The 70-inch staff features an

alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty in this era evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are lilac; Audiology degrees have colonial blue edging; Business Administration and Accounting are the color drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white, and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Occupational Therapy is slate blue; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.
