

COMMENCEMENT

SUMMER 2025

Commencement

Congratulations from the Provost

On behalf of the entire University of Florida community, I would like to extend my heartfelt congratulations to you, the Class of 2025.

Today's ceremony celebrates your singular accomplishment in graduating from one of the nation's very best public universities. I applaud you for your perseverance and resilience in completing your challenging coursework. I join you in thanking your professors, mentors and the family and friends who have supported you.

Today is a day for celebration and pride. It is also a day to look ahead to how you will shape the future. With your graduation, you carry forward the special knowledge and skills you have gained at UF into a world that desperately needs them. I am confident you will join generations of alumni in having a profoundly positive influence and impact.

We hope that you will look back on this period with fondness and appreciation, and that you will remain connected to UF as an active member of our distinguished alumni. Best wishes! It is Great to be a Florida Gator!

UNIVERSITY-WIDE COMMENCEMENT PROGRAM

FRIDAY, AUGUST 8, 7 P.M. & SATURDAY, AUGUST 9, 10 A.M.

Processional	UF Commencement Band
National Anthem	Anthony Offerle <i>Vocalist</i> UF Commencement Band
Opening Remarks and Introductions	Joseph Glover <i>Interim Provost and Executive Vice President, Academic Affairs</i>
Alumni Association Remarks	Rebecca Brock <i>President, Alumni Association</i>
Commencement Address	Azra Bihorac <i>Senior Associate Dean for Research Affairs, College of Medicine</i>
Presenting Candidates for Degrees	Joseph Glover
Conferring of Degrees	David Brandon – August 8, 2025 <i>Member, UF Board of Trustees</i> Joseph Glover – August 9, 2025
Closing Remarks	Joseph Glover
Alma Mater	Anthony Offerle UF Commencement Band
Recessional	“I Won’t Back Down” ©1989 Written by Tom Petty and Jeff Lynne Performed by Tom Petty Album: <i>Full Moon Fever</i>

COMMENCEMENT SPEAKER

Azra Bihorac, M.D., M.S.

*Senior Associate Dean for Research Affairs,
University of Florida College of Medicine*

Azra Bihorac, M.D., M.S., is the senior associate dean for research affairs at the University of Florida College of Medicine, where she holds the R. Glenn Davis Professorship in Medicine, Surgery, Anesthesiology, and Biomedical Engineering.

She serves as director for both the Precision and Intelligent Systems in Medicine Research Partnership and the Intelligent Clinical Care Center, a multidisciplinary hub for advancing real-world applications of medical artificial intelligence in research, education, and patient care.

Dr. Bihorac's professional journey spans continents — from her formative years as a medical student at the University of Sarajevo in Bosnia and Herzegovina to clinical training and research in Istanbul, Turkey, and finally to her academic home at UF. She is a survivor of the Bosnian war, and her pathway from a refugee to American citizen ran in parallel to her professional career. Her personal experience of war, persecution, and displacement shaped her interests, beliefs, and alliances. Dr. Bihorac is an outspoken advocate for science and medicine, both as a holistic mentor and a catalyst for new ideas. She is a dedicated mentor to more than 100 undergraduate students, graduate trainees, postdoctoral fellows, and junior faculty across the globe.

A visionary leader in biomedical AI, Dr. Bihorac is internationally recognized for her contributions to clinical informatics and translational research in nephrology and acute care medicine. As a physician-scientist whose

work blends artificial intelligence, medicine, and innovation, her research focuses on deploying ambient, immersive, and human-centered AI technologies to optimize the diagnosis, monitoring, and treatment of acutely ill patients.

Since 2010, she has maintained continuous National Institutes of Health funding and currently co-leads national initiatives developing a national roadmap for integrating AI in clinical care. Dr. Bihorac has authored more than 290 peer-reviewed publications and multiple textbooks. Her mission: To create intelligent human-centered health care, where innovation, technology, and excellence are aligned to deliver optimal quality and experience for every patient, caregiver, and healthcare provider.

Caps and Gowns: An Explanation

The academic regalia worn by graduating students and faculty in this era evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are lilac; Audiology degrees have colonial blue edging; Business Administration and Accounting are the color drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; (continued)

Journalism and Communications is garnet; Law is purple; Liberal Arts is white, and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Occupational Therapy is slate blue; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.

Diplomas

Diplomas will be mailed to the graduates' diploma mailing address in October of 2025.

SOCIAL MEDIA

Whether you are a #UFGrad or are celebrating a #UFGrad, we invite you to join the commencement conversation on social media. Select posts will be featured on the video boards prior to the ceremony.

PHOTOGRAPHS

The university requests that all commencement guests remain in their seats while taking photographs; no guests are permitted in the graduates' seating or lineup area. Photographs of the graduates as they cross the stage are available through the company contracted with the university. Proofs will be sent to the graduates within 10 days of the ceremony.

Contact information: University Photography. 205-391-9500. Questions@universitygradphoto.com

COMMENCEMENT PROGRAM

While supplies last, additional copies of this commencement program are available at the UF Bookstore for a \$1 donation to the Machen Florida Opportunity Scholars program, which helps fund a UF education for low-income students who are first in their family to attend college.

A downloadable PDF can be found online at <https://commencement.ufl.edu/past-programs/>

THIS IS NOT AN OFFICIAL GRADUATION LIST

While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in omission of some names or use of names of some persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the University Registrar.

Alma Mater

Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There's no other name so glorious—
All hail, Florida, Hail!

Milton Yeats
