Alma Mater
Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.

Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.

Neath the Orange and Blue victorious
Our love shall never fail.
There's no other name so glorious–
All hail, Florida, Hail!

Milton Yeats
SOCIAL MEDIA
Whether you are a #UFGrad or are celebrating a #UFGrad, we invite you to join the commencement conversation on social media. Select tweets will be featured on the video boards prior to the ceremony.

PHOTOGRAPHS
The university requests that all commencement guests remain in their seats while taking photographs; no guests are permitted in the graduates’ seating or lineup area. Photographs of the graduates as they cross the stage are available through the company contracted with the university. Proofs will be sent to the graduates within 10 days of the ceremony.

Contact information: University Photography. 205-391-9500. Questions@universitygradphoto.com

COMMENCEMENT PROGRAM
While supplies last, additional copies of this commencement program are available at the UF Bookstore for a $1 donation to the Machen Florida Opportunity Scholars program, which helps fund a UF education for low-income students who are first in their family to attend college.

A downloadable PDF can be found online at https://commencement.ufl.edu/past-programs/

THIS IS NOT AN OFFICIAL GRADUATION LIST
While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in omission of some names or use of names of some persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student’s academic or degree status. The university’s official registry for conferral of degrees is the student’s permanent academic record as reflected on the student’s transcript, maintained by the Office of the University Registrar.
Greetings from the President

On behalf of the University of Florida, our faculty and our entire university community, I would like to extend my deepest congratulations to you, the graduates of the historic year of 2021.

Today’s ceremony celebrates your remarkable accomplishment in earning a degree from one of the world’s leading research institutions. That you achieved this distinction while overcoming the hardships of the first pandemic in nearly a century is all the more impressive. I applaud you for the education you have received, for honing your creative, scientific, or analytical skills and for your resilience and persistence as students. I join you in thanking your professors, advisors and family and friends for their contributions to your success.

Today is a day for celebration, but also for reflection on your future. I am confident that the knowledge and experience you have gained will serve you well regardless of your career or how you choose to invest your life.

The university has benefited from your active engagement and contributions to your classes, programs of study and your peers, and we are grateful to you. You are a unique class, and though we know your experience has been different, we hope that you will look back on it with fondness and appreciation, and that you will remain connected to UF as active members of our distinguished alumni.

Best wishes, and always remember, It is Great to be a Florida Gator!

W. Kent Fuchs

University of Florida President

Dr. W. Kent Fuchs

Dr. Kent Fuchs became the 12th President of the University of Florida in January 2015. Building on many years of excellence and focused on leadership, the university has since reached its goal of joining the nation’s top-ten public research universities.

Dr. Fuchs has set UF on a path to joining the top-five public research universities and becoming the nation’s number one university for comprehensive excellence. UF is working toward those goals through 600 new faculty positions, the addition of advanced and beautiful university facilities, a nearly complete $3 billion fundraising campaign and a university-wide artificial intelligence initiative.

Previous to the UF presidency, Dr. Fuchs was provost of Cornell University. He has served in academic leadership positions and as a faculty member of electrical and computer engineering at Cornell, Purdue and the University of Illinois.

He is a fellow of the American Academy of Arts and Sciences, the American Association for the Advancement of Science, the Institution of Electrical and Electronics Engineers and the Association for Computing Machinery and has received numerous awards for teaching and research.

President Fuchs earned his doctorate in electrical and computer engineering from the University of Illinois, and a Master of Divinity from Trinity Evangelical Divinity School. He also holds a Bachelor of Science in Engineering from Duke University.

Dr. Fuchs is married to Linda Moskeland Fuchs, an art historian. The Fuchses have three sons, a daughter and three grandchildren.

Born on an Oklahoma farm in 1954, President Fuchs spent much of his youth in Alaska before moving to Miami, where he graduated from Miami Killian Senior High School.

Distinguished Alumna

Gale V. King
Nationwide – Executive Vice President and Chief Administrative Officer

Gale King is executive vice president and chief administrative officer (CAO) for Nationwide, a Fortune 100 financial services company with approximately 27,000 associates. Gale is responsible for providing strategic and operational leadership for the company’s human resources, diversity and inclusion, corporate real estate, corporate security and aviation operations.

Under Gale’s leadership, the company has been recognized for its leading human resources practices and as an employer of choice for its strong culture, performance orientation, engaging work environment and commitment to diversity and inclusion. The company has received numerous recognitions to include six consecutive years on the Workforce 100 list for its holistic and best-in-class approach to HR, Fortune’s 100 Best Companies to Work For list (six years), Working Mother 100 Best Companies list, Catalyst Award, 100 percent on Human Rights Campaign Corporate Equality Index (17 years), Black Enterprise Best Workplaces for Diversity, Fortune’s 50 Best Workplaces for Diversity, and many others.

King has more than 30 years of broad leadership experience in the financial services industry, including strategic oversight of enterprise staff functions and operational experience in business operations. She is an independent director for two Fortune 250 companies, JB Hunt (JBHT) and AutoZone (AZO) where she serves on the compensation committees.

Gale is an education advocate and has established endowment funds at the University of Florida and Santa Fe College. She is active in the community and serves as a board trustee (and former board chair) for the University of Florida Foundation, board trustee for the Executive Leadership Council and co-chair for the membership committee. Additionally, she was an inaugural member of the Columbus Women’s Commission. King is a graduate of the University of Florida with a bachelor’s degree in journalism and a master’s degree in public administration.
Dr. Jamie Ellis is the Gahan Endowed Professor of Entomology in the Entomology and Nematology Department at the University of Florida Institute of Food and Agricultural Sciences (UF/IFAS). Jamie is an internationally recognized expert on honey bee biology and management. He received a B.S. degree in biology from the University of Georgia and a Ph.D. in entomology from Rhodes University in South Africa.

Jamie’s appointment at UF/IFAS includes a three-way academic split between extension, research and teaching responsibilities. To satisfy this appointment, Jamie directs the Honey Bee Research and Extension Laboratory (HBREL). The mission of the HBREL is to advance understanding of honey bees in Florida, the United States and globally, with the goal of improving the health and productivity of honey bee colonies everywhere. Jamie addresses this goal by conducting basic and applied research with managed and wild honey bees, communicating his findings to assorted clientele groups through diverse extension programming, and training future generations of bee educators, researchers, conservationists, and more.

Jamie is among the most sought-after lecturers on beekeeping topics globally. Regarding his extension work, Jamie created the UF/IFAS Bee College and the UF/IFAS Master Beekeeper Program. As an instructor, Jamie supervises doctoral and masters students, and has contributed to the development of five courses on beekeeping at UF. Currently, Jamie and his team have more than 30 active research projects in the disciplines of honey bee husbandry, conservation and ecology, and integrated crop pollination.

Jamie has received many state, regional and national awards for his work with honey bees. These include the National and Southern Region Excellence in Extension Awards (American Association for Public Land Grant Universities), Roger Hoopingarner Award (American Beekeeping Federation), Roger E. Morse Award for Teaching/Extension (Eastern Apicultural Society), Ed and Elaine Holcombe Distinguished Speaker Award (Eastern Apicultural Society), Research Foundation Professor (University of Florida), Superior Accomplishment Award (University of Florida), Outstanding Specialist (Florida Association of Agricultural Agents) and Entomologist of the Year (Florida Entomological Society).

Jamie is also a bi-vocational youth minister at Mt. Pleasant Baptist Church in High Springs, Fla., where he lives with his wife, Dr. Amanda Ellis, and their four children.

26
Chain of Office

This custom-made ornament is worn with the president’s regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion’s centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university’s sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university’s chief marshal, who leads all academic processions, carries the mace.

Diplomas

Diplomas will be mailed to the graduate’s diploma mailing address in September 2021.
Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty in this era evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates, but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor’s degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master’s degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates’ caps indicate a candidate’s school or college.
Whether you are a #UFGrad or are celebrating a #UFGrad, we invite you to join the commencement conversation on social media. Select tweets will be featured on the video boards prior to the ceremony.

PHOTOGRAPHS

The university requests that all commencement guests remain in their seats while taking photographs; no guests are permitted in the graduates’ seating or lineup area. Photographs of the graduates as they cross the stage are available through the company contracted with the university. Proofs will be sent to the graduates within 10 days of the ceremony.

Contact information: University Photography. 205-391-9500. Questions@universitygradphoto.com

COMMENCEMENT PROGRAM

While supplies last, additional copies of this commencement program are available at the UF Bookstore for a $1 donation to the Machen Florida Opportunity Scholars program, which helps fund a UF education for low-income students who are first in their family to attend college.

A downloadable PDF can be found online at https://commencement.ufl.edu/past-programs/

THIS IS NOT AN OFFICIAL GRADUATION LIST

While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in omission of some names or use of names of some persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the University Registrar.
Alma Mater

*Florida, our Alma Mater*
*Thy glorious name we praise*
*All thy loyal sons and daughters*
*A joyous song shall raise.*
*Where palm and pine are blowing,*
*Where southern seas are flowing,*
*Shine forth thy noble Gothic walls,*
*Thy lovely vine-clad halls.*
*Neath the Orange and Blue victorious*
*Our love shall never fail.*
*There’s no other name so glorious—*
*All hail, Florida, Hail!*
