
SUMMER 2026 Commencement

Greetings from the President

Members of the Class of 2026: On behalf of the University of Florida, congratulations!

Today marks the culmination of much growth and effort, and I am proud of your accomplishment. I also want to recognize your professors, mentors, family and friends. Your light shines more brightly because of them.

You are leaving one of the nation's very best public universities, and you will always carry that with you. I hope your experience gives you confidence in what you know, and in your capacity to learn, adapt and continue to grow.

May you embrace what comes next with ambition, curiosity and personal generosity. Your lives and careers will be built not just on your accomplishment, but on what you do for others.

Thank you for being a part of our community. I urge you to stay connected. Albert, Alberta and all of us at UF will always cheer for you.

Congratulations. Go Gators!

Stuart R. Bell

University of Florida President

Dr. Stuart R. Bell is the 14th president of the University of Florida.

Prior to his tenure as president of the University of Alabama from 2015 to 2025, Dr. Bell served as provost and professor of engineering at Louisiana State University and as dean of the School of Engineering and professor of mechanical engineering at the University of Kansas. He is also widely recognized for his research and publications on natural gas and combustion engines and was inducted into the State of Alabama Engineering Hall of Fame in 2023.

Dr. Bell earned his Ph.D. in mechanical engineering and his B.S. in nuclear engineering from Texas A&M University. He has been elected to membership in the American Society of Mechanical Engineers, the Society of Automotive Engineers and the National Society of Professional Engineers.

Among his leadership roles, Dr. Bell serves or has served on the Executive Committee for Academic Affairs of the Association of Public and Land-grant Universities, on the Board of Directors for the Center for Science Education at the University of Kansas, as the Chairman of the Academic Advisory Council for the NSF's Center for Remote Sensing of Ice Sheets based at the University of Kansas, and as a trustee of the ASME Foundation.

Kati Migliaccio <i>College of Agricultural and Life Sciences</i>	Dana Zimmel <i>College of Veterinary Medicine</i>

COMMENCEMENT AGENDA

SATURDAY, AUGUST 8, 10 A.M. & 3 P.M.

Presiding	Stuart R. Bell <i>President</i>
National Anthem	Anthony Offerle <i>Professor, School of Music</i> UF Commencement Band <i>Directed by Professor John J. Watkins</i>
Welcome	Stuart R. Bell
Opening Remarks and Introductions	Joseph Glover <i>Interim Provost and Executive Vice President, Academic Affairs</i>
<i>Distinguished Alumna Award Recipient</i>	Jennifer Hemingway <i>Sergeant at Arms and Doorkeeper of the United States Senate</i>
Commencement Address	Matthew Disney <i>Professor and Chair, Department of Chemistry</i> <i>The Herbert Wertheim UF Scripps Institute for Biomedical Research & Innovation</i>
Presenting Candidates for Degrees	Joseph Glover
Conferring of Degrees	David Brandon—10 A.M. Marsha Powers—3 P.M. <i>Members, Board of Trustees</i>
Recognition of Graduates	
Closing Remarks	Stuart R. Bell
Alma Mater	Anthony Offerle UF Commencement Band
Recessional	"I Won't Back Down" ©1989 Written by Tom Petty and Jeff Lynne Performed by Tom Petty Album: <i>Full Moon Fever</i>

COMMENCEMENT SPEAKER

Matthew David Disney, Ph.D.

*Professor and Chair, Department of Chemistry
The Herbert Wertheim UF Scripps Institute for
Biomedical Research and Innovation*

Matthew David Disney, Ph.D., is an institute professor and the chair of the Department of Chemistry at The Herbert Wertheim UF Scripps Institute for Biomedical Research & Innovation at the University of Florida. He is internationally recognized for pioneering the field of RNA-targeted small-molecule therapeutics, creating new approaches to drug discovery for diseases previously considered undruggable.

Disney's numerous honors have included the NIH Director's Pioneer Award, the ACS Nobel Laureate Signature Award, the Eli Lilly Award in Biological Chemistry, and the Sackler Prize. His research has led to multiple biotechnology companies and therapeutic programs advancing toward the clinic, with the goal of developing transformative medicines for patients with genetic and other serious diseases.

Beyond his scientific contributions, Disney is a dedicated educator, mentor, and entrepreneur whose trainees have gone on to leadership roles across academia, biotechnology, and the pharmaceutical industry. He is also an associate editor of the Journal of the American Chemical Society.

Distinguished Alumna Award

Jennifer A. Hemingway

Sergeant at Arms and Doorkeeper of the United States Senate

Jennifer Hemingway was elected Sergeant at Arms and Doorkeeper of the United States Senate in 2025. Previously, Hemingway served as Chief of Staff to the Sergeant at Arms, Acting Sergeant at Arms, and Deputy Sergeant at Arms.

In three decades of public service, Hemingway has served as Director of House Operations, House Oversight and Government Reform Committee Staff Director, and Chief of Staff to Congressman Joe Scarborough. She also staffed the Senate Committee on Homeland Security and Governmental Affairs and served as Associate Director for Government Affairs at the U.S. Department of Transportation. Additionally, Hemingway served as Director of Legislative and Regulatory Affairs for BlueCross BlueShield.

From the University of Florida, Hemingway earned a B.S. in Food and Resource Economics and a B.A. in Political Science. She also received an M.P.A. from The George Washington University and an Executive Certificate in Public Leadership from the Harvard Kennedy School.

Research Awards

RESEARCH EXCELLENCE PROGRAM FOR UNDERGRADUATES

The Research Excellence Program for Undergraduates is a campus-wide recognition for any UF student who has demonstrated exceptional research preparation and training during their undergraduate career.

Kelsey Cook

Nikita Nangia

UNIVERSITY RESEARCH SCHOLARS PROGRAM

The University Research Scholars Program is a 4-year research preparation and experience program offered to the top 2% of entering first-year students annually.

Mariam Jabeen Ahmed

Arya Jignesh Kapadia

Trevor Yates

**Magna Cum Laude

***Summa Cum Laude

(Cum Laude, Magna Cum Laude, and Summa Cum Laude are tentative and subject to final grades.)

Chain of Office

This custom-made ornament is worn with the president's regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion's centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university's sesquicentennial celebration in 2003. The 70-inch staff features

an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university's chief marshal, who leads all academic processions, carries the mace.

Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty in this era evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are lilac; Audiology degrees have colonial blue edging; Business Administration and Accounting are the color drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white, and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Occupational Therapy is slate blue; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor's degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master's degree. A round, open sleeve identifies a doctoral degree.

The blue doctoral regalia also has velvet running on the rest of the gown, including crossbars on the sleeve. Colored tassels on the degree candidates' caps indicate a candidate's school or college.
