UF

UNIVERSITY of FLORIDA
The Foundation for The Gator Nation
University of Florida President

Dr. W. Kent Fuchs

Dr. Kent Fuchs became the 12th President of the University of Florida in January 2015. Under President Fuchs’ leadership, the university has developed shared goals for the decade ahead. UF’s overarching aspiration is to be a premier comprehensive university that the state, nation and world look to for leadership.

Previous to the UF presidency, Dr. Fuchs spent six years as Cornell’s provost before coming to UF. He was appointed provost after serving as the university’s Joseph Silbert Dean of Engineering from 2002 to 2008. He joined Cornell from Purdue University, where he headed the School of Electrical and Computer Engineering from 1996 to 2002. He was a professor in the Department of Electrical and Computer Engineering and the Coordinated Science Laboratory at the University of Illinois from 1985 to 1996.

He is a fellow of the American Academy of Arts and Sciences, the American Association of the Advancement of Science, the Institute of Electrical and Electronics Engineers, and the Association for Computing Machinery, and has received numerous awards for teaching and research.

President Fuchs earned his doctorate in electrical and computer engineering from the University of Illinois, and a master of divinity from Trinity Evangelical Divinity School in Chicago. He credits divinity school with teaching him communication and community-building skills, and to balance his innately analytic perspective with a deep appreciation for people and for human relationships. He also holds a bachelor of science in engineering from Duke University.

Dr. Fuchs is married to Linda Moskeland Fuchs, an art historian whose scholarship centers on the sculpture of sarcophagi created in the first centuries of Christian art-making. Mrs. Fuchs has two master’s degrees in art history, from the University of Chicago and Cornell, and a third in Biblical studies, from Trinity Evangelical Divinity School. The Fuchses have three sons and a daughter, Micah, Eric, Isaac and Christine, as well a daughter-in-law, son-in-law, and two grandsons.

Born on an Oklahoma farm in 1954, President Fuchs spent much of his youth in Alaska before moving to Miami, where he graduated from Miami Killian Senior High School. His two younger brothers and stepmother live in South Florida.
Greetings from the President

On behalf of the University of Florida and our administration, faculty and staff, I would like to extend my heartfelt congratulations to you, the Class of 2016, and to your family and friends.

Today’s ceremony celebrates your considerable accomplishment in completing a degree program at one of the world’s great universities. I share in your pride and excitement, and I am confident that your degree – and the skills and experience you acquired while at this university – will serve you well in your careers and lives.

It has been a privilege to have you as a part of our community, and the university is better for your time here. I hope you remain connected to UF as active alumni and members of The Gator Nation.

Good luck, best wishes, and Go Gators!

Awards to Outstanding Scholars

The Selection Committee for Outstanding Scholars considers grade point average, curriculum, academic awards, research projects or honors thesis. Four-year scholars must have started as freshmen at UF and have no more than minimal work at other institutions.

Gwendolyn Brown
Four-Year Scholar

What is your proudest Gator moment?
My proudest Gator moment was receiving my University of Florida Gator wrap class ring to continue this great tradition.

What is something every Gator should know?
Every Gator should know the proper way to do a Gator Chomp.

What is your favorite Gator icon or tradition?
My favorite Gator icon is the bull gator in front of the 18th gate of Ben Hill Griffin Stadium. I love to give his friendly nose a pat every time I walk by.

Who are the Gators who inspire you?
The inspirational story of Stephen C. O’Connell’s rise to become the University of Florida’s president is one that inspires me every day.

What is the most important lesson you learned from a fellow Gator?
The most important lesson I learned was to always support your fellow Gator. We are one great Gator Nation!

What was your most fulfilling UF role?
My most fulfilling UF role was showing my friends and family around the campus and teaching them about the importance and beauty of our many buildings.

Which of your UF affiliations or activities nurtured you most?
The UF affiliation that nurtured me the most was being a part of the theatre program. In every class I took, I felt comfortable to make mistakes and grow. The people I met through the theatre program were some of the most unique and supportive individuals I met in my college years.

How will you pay it forward?
I will pay it forward by using my knowledge to educate others on the importance of special events to the zoological industry to help their conservation mission.

What will your legacy be?
My legacy will be the impact I made on my friends at the university.

What do you bleed orange and blue?
I bleed orange and blue at every Gator football game. Nothing makes your heart pound more than the lively chants of Gator Bait.

Zoe Brown
Four-Year Scholar

What is your proudest Gator moment?
My proudest Gator moment was watching the reveal of the total amount raised for Dance Marathon. As part of the staff, I knew how hard everyone worked for the success of the event and the impact of the reveal.

What is something every Gator should know?
Every Gator should know how to snag a table for an all-night study session at Library West.

What is your favorite Gator icon or tradition?
My favorite Gator tradition is eating Krishna lunch in the Plaza of the Americas. I loved enjoying Krishna lunch out in the sun while catching up with friends in between classes.

Who are the Gators who inspire you?
The Gators who inspire me the most are my sister, Ainsley Brown, Tim Tebow and Abby Wambach.

What is the most important lesson you learned from a fellow Gator?
The most important lesson I learned from a fellow Gator was that the university is what you make of it. You get out what you put in to your college experience.

What was your most fulfilling UF role?
My most fulfilling UF role was being on the executive board for Heal the World. I was in charge of fundraising and events for the organization. It was so fulfilling to see a successful year of work result in good being done for those who need it most.

Which of your UF affiliations or activities nurtured you most?
The UF affiliation that nurtured me the most was being a part of the theatre program. In every class I took, I felt comfortable to make mistakes and grow. The people I met through the theatre program were some of the most unique and supportive individuals I met in my college years.

How will you pay it forward?
I will pay it forward by making the focus of my life to give back to the world and never taking for granted the blessings I have been given.

The Selection Committee for Outstanding Scholars considers grade point average, curriculum, academic awards, research projects or honors thesis. Four-year scholars must have started as freshmen at UF and have no more than minimal work at other institutions.

Patrick James
Four-Year Scholar

What is your proudest Gator moment?
Hearing the news that our chapter of Beta Alpha Psi made “superior” status for the first time in more than 30 years. It was my first year as the community service chair and we raised over 900 pounds of canned food.

What is something that every Gator should know?
You can learn about life through books but to truly experience it yourself, immerse yourself into the wonderful world Gainesville has to offer.

What is your favorite Gator icon or tradition?
“We are the Boys of Old Florida” at the Saturday football games. It makes you realize that no matter what’s going on, we’re all part of The Gator Nation.

Who are the Gators who inspire you?
Professor Boyles has always inspired me through his complete focus on the future and benefit of his students. Also, Tim Tebow.

What is the most important lesson you learned from a fellow Gator?
That with patience and dedication things seems to work themselves out. Don’t get too hung up on the stresses and anxiety; life has a funny way of surprising you with beautiful moments.

What was your most fulfilling UF role?
As the community service chair of Beta Alpha Psi, I got to build relationships with an eclectic group of people from the Gainesville community and get to give back at the same time.

How will you pay it forward?
I am hoping to become a part of the wonderful UF Alumni group that helps support and nurture up-and-coming students.

Grace Kupiszewski
Four-Year Scholar

What is your proudest Gator moment?
My proudest Gator moment was receiving my acceptance letter to the University of Florida Physical Therapy School and knowing that I will get to continue my education as a Florida Gator.

What is something every Gator should know?
Every Gator should know that anywhere you go throughout the United States, you will find a fellow Gator. When you become a Gator, you truly are becoming part of The Gator Nation.

What is your favorite Gator icon or tradition?
“We are the Boys of Old Florida” at the Saturday football games. It makes you realize that no matter what’s going on, we’re all part of The Gator Nation.

Who are the Gators who inspire you?
The Gators who inspire me the most are my mom and dad. Thanks to them, I was born a Gator and always will be.

What is the most important lesson you learned from a fellow Gator?
I learned to always stick together and to never let anyone walk home alone.

What was your most fulfilling UF role?
As the community service chair of Beta Alpha Psi, I got to build relationships with an eclectic group of people from the Gainesville community and get to give back at the same time.

How will you pay it forward?
I am hoping to become a part of the wonderful UF Alumni group that helps support and nurture up-and-coming students.

What do you bleed orange and blue?
I bleed orange and blue with the people around me. I exude the confidence and modesty that being a part of UF has so graciously bestowed upon me and by bleeding orange and blue I will share that warmth with the community around me.

What will your legacy be?
My legacy to the University of Florida is a student, a friend and a future physical therapist.
What is your proudest Gator moment?
My proudest Gator moment is reminiscing about some of my favorite times as an undergraduate at UF, and I suddenly became very nostalgic when I realized I would be graduating soon and saying goodbye to being a Gator undergrad. That is the moment I realized that I will always be a Gator at heart.

What is something every Gator should know?
Unlike subject exams, in life there is no answer key that determines if one decision is “correct” and if another is “wrong.” College is about reconstructing our point of view so that we understand that life does not have an answer key. College is about figuring out who you are, who you want to be in this world, what you want to do with your life, and how you plan to accomplish it. We must learn to make the most of the life we are given and in order to do that we should go to college to learn, to make mistakes, to persist in the face of adversity, to develop our sense of self and, most importantly, to succeed on our own terms of achievement.

What is your favorite Gator icon or tradition?
My favorite Gator tradition is doing the Gator Chomp with other fellow Gators. The Gator Chomp is so iconic and well-known all around the world. I feel privileged to be a Gator and love to show my support with fellow Gators I meet wherever I may be.

Who are the Gators that inspire you?
The Gators that inspire me are the UF faculty and staff. They are the framework for The Gator Nation. I would not be who I am today without the influence of the wonderful professors I had the privilege to take classes with as I completed my bachelor’s degree. I appreciate the time and encouragement they invested in me so that I can continue pursuing my dreams. They truly bleed orange and blue and exemplify what it means to be a Gator.

How will you pay it forward?
I will pay it forward by taking advantage of my education and privilege to have attended UF through my future efforts as a physician. I hope to contribute to future undergraduate students through a merit-based scholarship.
Awards to Outstanding Student Leaders

The Selection Committee for Outstanding Graduating Student Leaders considers the quality and scope of leadership activities, universitywide leadership, experience, special awards, recognition and recommendations of faculty, staff and students.

Jennifer Hughes
Outstanding Leader

What is your proudest Gator moment?
Two years ago, I was selected within the Dean of Student’s Office to teach and share our University of Florida traditions with our new President Kent Fuchs. Our group of four spent the entire afternoon explaining our gator sports’ histories, highlighting iconic campus landmarks, explaining traditions of the last century, and singing and swaying to “We are the Boys.” At that moment, as I shared the beauty and character of our university with our new campus leader, I could not have been more proud to be a Florida Gator.

What is something every Gator should know?
Our large and loving Gator Nation should understand the value and honor we are earning today. A diploma from this incredible institution stands for more than classes passed and credits earned – it represents undoubtable integrity, a zealous work ethic, and the unspoken challenge that is now imposed on our future colleagues and coworkers. As Gators, we are charged with the task of acting as role models, taking responsibility for our actions and putting forth our best efforts in all aspects of our lives.

What is your favorite Gator icon or tradition?
My favorite Gator tradition is the Mr. Two Bits cheer that is chanted during the pre-game performance of every home football game. It represents optimism, camaraderie, and the strength of The Gator Nation against all odds – an attitude we have all grown to adopt not only on the field, but in our personal lives as well.

Who are the Gators who inspire who?
There is nothing more inspiring than one who sacrifices himself for the good of someone else. Over the past four years, I have witnessed these acts of sacrificial love, giving, and generosity in many facets firsthand by faculty members and fellow classmates. This campus population truly believes that every Gator matters and fully embraces the duty of supporting and encouraging the success of every Gator on our campus. It is a beautiful place to call home.

What is the most important lesson you learned from (or taught to) a fellow Gator?
A crucial piece of advice I gave to first-year students was to find an outlet where they could be their true self. Whether it be an organization or group of friends, it is so important to be surrounded by others who value your whole being: strengths, weaknesses, talents and fears. This feeling of connectedness is what brought me the confidence to apply for involvement opportunities, fulfill leadership roles and greet strangers as though they were friends I just hadn’t met yet. My group of friends allowed me to love myself and to love the diversity and authenticity every student at UF carries.

How will you pay it forward?
I plan to repay the growth and development I have acquired throughout my four years at this institution as I continue my graduate studies at UF. I am pursuing a master’s degree in higher education and student affairs – an area of study that is based on student development and fostering leadership. I seek to counsel students as they harness the potential they may not be aware they hold. It is because of the student affairs professionals and staff – who poured their encouragement and belief into me – that I have accomplished everything I have. I hope to be that same inspiration and catalyst for other young minds to thrive and reach heights they never dreamed they could.

What Makes a University Great?
Some interesting facts about the University of Florida

Educational Excellence
UF is consistently ranked among the nation’s top universities: No. 14 in U.S. News & World Report “Top Public Universities” (2016); No. 2 in the Fiske Guide to Colleges’ list of Best Buys Among Publics (2016); No. 14 on the Forbes’ list of Best Public Universities (2015); and No. 7 on Washington Monthly magazine’s list of national universities that offer the best bang for the buck (2014).

Faculty
• UF has nearly 5,000 faculty members with distinguished records in teaching, research and service, including 36 Eminent Scholar chairs and 44 faculty elections to the National Academy of Sciences, Engineering, the Institute of Medicine or the American Academy of Arts and Sciences.
• Awards include two Pulitzer Prizes, NASA’s top award for research, and the Smithsonian Institution’s conservation award.

Students
• Ninety-seven percent of incoming freshmen score above the national average (1500/21) on standardized exams. Students applying for the fall 2016 freshman class had an average 4.35 GPA and an average SAT score of 1919.
• More than 1,285 International Baccalaureate students were enrolled in UF in March 2016. The freshman retention rate of 96 percent is among the highest in the country.
• Among AAU public universities, UF ranked first in master’s degrees and second in bachelor’s degrees awarded to Hispanic students in 2014.
• Sixty-seven percent of UF full-time freshmen graduate in four years, and 87 percent of UF freshmen graduate within six years (2008 cohort).
• Fifty-six percent of UF graduates start and graduate the university with no student-loan debt. For the remaining students, their average indebtedness is about $21,028, as compared with the national average of over $28,000 (2014-15).
Chain of Office

This custom-made ornament is worn with the president’s regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion’s centerpiece is a 1.3-carat diamond.

Academic Mace

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university’s sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university’s chief marshal, who lead all academic processions, carries the mace.

Caps and Gowns, An Explanation

The academic costume worn by graduating students and faculty at today’s commencement ceremonies evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates, but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor’s degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master’s degree. A round, open sleeve identifies a doctoral degree.

The doctoral costume also has velvet running on the rest of the gown, including cross bars on the sleeve. Colored tassels on the degree candidates’ caps indicate a candidate’s school or college.
Alma Mater

Florida, our Alma Mater
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There’s no other name so glorious—
All hail, Florida, Hail!

Milton Yeats
