SOCIAL MEDIA
Whether you are a #UFGrad or you are here to celebrate a #UFGrad, we invite you to join the commencement conversation on social media. Select tweets will be featured on the video boards prior to and after the ceremony.

COMMENCEMENT PROGRAM
Additional copies of this commencement program are available while supplies last at the UF Bookstore for a $1 donation to the Machen Florida Opportunity Scholars program, which helps fund a UF education for low-income students who are first in their family to attend college. The commencement program can be ordered online with an additional charge for shipping and handling.

THIS IS NOT AN OFFICIAL GRADUATION LIST
While every effort is made to ensure accuracy in this commencement program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student’s academic or degree status. The university’s official registry for conferral of degrees is the student’s permanent academic record as reflected on the student’s transcript, maintained by the Office of the University Registrar.

HONOR DESIGNATIONS
Honors designations in this program are incomplete, tentative, may not properly represent a student’s academic accomplishment and are subject to change. Final honors designation will be represented on the official diploma and on the transcript.
Greetings from the President

On behalf of the University of Florida and our administration, faculty and staff, I would like to extend my heartfelt congratulations to you, the Class of 2018, and to your family and friends.

UF’s commencement ceremonies celebrate your considerable accomplishment in completing a degree program at one of the world’s great universities. I share your pride and excitement, and I am confident that your degree – and the skills and experience you acquired while at this university – will serve you well in your careers and lives.

It has been a privilege to have you as a part of our community, and the university is better for your time here. I hope you remain connected to UF as active alumni and members of The Gator Nation.

Good luck, best wishes, and Go Gators!

W. Kent Fuchs

President Fuchs earned his doctorate in electrical and computer engineering from the University of Illinois, and a Master of Divinity from Trinity Evangelical Divinity School. He credits divinity school with teaching him communication and community-building skills, and to balance his innately analytic perspective with a deep appreciation for human relationships. He also holds a Bachelor of Science in Engineering from Duke University.

Dr. Fuchs is married to Linda Moskeland Fuchs, an art historian whose scholarship centers on the sculpture of sarcophagi created in the first centuries of Christian art-making. Mrs. Fuchs has two master’s degrees in art history, from the University of Chicago and Cornell, and a third in Biblical studies, from Trinity Evangelical Divinity School. The Fuchses have three sons, a daughter, and three grandchildren.

Born on an Oklahoma farm in 1954, President Fuchs spent much of his youth in Alaska before moving to Miami, where he graduated from Miami Killian Senior High School.

University of Florida President

Dr. W. Kent Fuchs

Dr. Kent Fuchs became the 12th President of the University of Florida in January 2015. Building on many years of excellence and focused leadership, the university has reached its goal of joining the nation’s top-ten public research universities.

Dr. Fuchs has set UF on a path to joining the top-five public research universities and becoming the nation’s number one university for comprehensive excellence. UF is working toward those goals through the creation of 500 new faculty positions, the addition of advanced and beautiful university facilities and an ongoing $3 billion fundraising campaign.

Previous to the UF presidency, Dr. Fuchs was provost of Cornell University. He has served in academic leadership positions and as a faculty member of electrical and computer engineering at Cornell, Purdue and the University of Illinois.

He is a fellow of the American Academy of Arts and Sciences, the American Association for the Advancement of Science, the Institute of Electrical and Electronics Engineers, and the Association for Computing Machinery, and has received numerous awards for teaching and research.

Distinguished Alumnus Award

Stanley Schwartz

In 1974, they established the trade show Tennis Industry National Buying Show. In the 1980s, they garnered the attention of the Sporting Goods Manufacturers Association (SGMA), which held regional buying shows all over the country. Stanley’s group was asked to help consolidate the sports product industry’s buying schedule by creating a single annual event.

In 1985, his second company, Communications and Show Management, launched The Super Show in Atlanta. By the 1990s, it had become one of the world’s largest and most talked-about business trade shows. In 2006, after the contract with SGMA came to an end, Stanley formed Showproco, LLC and launched another trade show in conjunction with the major sports leagues. The Sports Licensing and Tailgate Show began that winter in Las Vegas and soon became the sports industry’s go-to trade show. They also backed the creation of the Tailgate Industry Association in 2011. In 2012, both the show and the association were sold to the Nielsen Company.

Having built three highly successfully businesses over four-plus decades, Stan was not ready to retire. Always a believer in helping others to grow their businesses and recognizing the trend of showcasing new products, he created The Big Pitch. He worked with trade show managers to offer their exhibitors the opportunity to present new products to a panel of retail and marketing experts. They would gain advice on their product presentation and marketing, and have the opportunity to appear on a 30-minute televised infomercial with a professional pitchman. The Big Pitch is now offered to exhibitors in more than 15 trade shows in a variety of industries. Truly a visionary and entrepreneur with a desire to mentor others in the business world, Stanley’s drive encouraged UFCJC to create the advertising sales track within the current program.
Outstanding Student Scholars and Leaders

The Selection Committee for Outstanding Student Scholars considers grade point average, curriculum, academic awards, research projects or honors thesis. The Selection Committee for Outstanding Student Leaders considers the quality and scope of leadership activities, universitywide leadership, experience, special awards, recognition and recommendations of faculty, staff and students.

Four-Year Scholars

John P. Barakat  
Warrington College of Business  
Major: Finance

Caridad M. Infante  
College of Liberal Arts and Sciences  
Major: Biology

Two-Year Scholar

Patrick E. Bollinger  
Herbert Wertheim College of Engineering  
Major: Civil Engineering

Student Leaders

Guy Williams Norris, Jr.  
Warrington College of Business  
Major: Finance

Evelyn M. Veras  
College of Health and Human Performance  
Major: Health Education and Behavior  
Minor: Latin American Studies
Faculty Address

Onye Ozuzu

Onye Ozuzu is a dance administrator, performing artist, choreographer, educator, and researcher currently serving as dean of the University of Florida College of the Arts. Actively presenting work since 1997, Dean Ozuzu has presented work nationally and internationally at The Joyce Soho (Manhattan, N.Y.), Kaay Fecc Festival Des Tous les Danses (Dakar, Senegal), La Festival del Caribe (Santiago, Cuba), Lisner Auditorium (Washington, D.C.), and McKenna Museum of African American Art (New Orleans, La.). She has performed in Chicago at Hamlin Park Summer Sampler, with Red Clay Dance in La Femme, and in the Afro-Latin@ Summer Dance Intensive at Columbia College Chicago. Dean Ozuzu has been Artist in Residence at Dorchester Art + Housing Collaborative of the Rebuild Foundation, EarthDance Workshop and Retreat Center, Bates Dance Festival, Chulitna Wilderness Lodge and Retreat, and Lagos danceGATHERING in Lagos, Nigeria. Her collaboration with jazz composer Greg Ward, Touch My Beloved’s Thought, premiered at the Pritzker Pavilion at Millennium Park (Chicago, Ill.) — a live dance and music performance in honor of Charles Mingus and commissioned by Links Hall and Constellation. Her recent project, Project Tool, which explored the relationship between mind, body and tool, was a 2018 Joyce Award and a 2016 Chicago Dancemakers Forum Lab Artist recipient as well as a National Performance Network (NPN) Creation Fund Project co-commissioned by Links Hall in partnership with Dancing Grounds and NPN.

Dean Ozuzu has dedicated much of her work as a dance artist to cultivating space for diverse dance forms to exist in pluralist relationship to one another. In her body, she has negotiated the intersectionality between many movement forms from tennis to ballet, West African dance to Hatha Yoga, freestyle House to salsa, contemporary dance to Aikido. Rather than just “collecting” these dance styles, she cultivates the ability to make choices among these techniques with an intention to access a purposefully hybridized movement practice. She seeks a relationship that is like the relationship of a maker to their tools, rather than a person to their habits. Dean Ozuzu makes contemporary dance that is “tooled” by, but not dictated by, traditional movement cultures in style, technique, concept and execution.
Stephen A. Stills

Stephen A. Stills is a singer, songwriter, philanthropist and Rock and Roll Hall of Famer whose legendary six-decade career traces its origins to Gainesville.

One of rock music’s most enduring figures, Stills has had multiple solo works and been a part of four hugely influential groups — Manassas, Buffalo Springfield, Crosby, Stills & Nash, and Crosby, Stills, Nash & Young. He has been inducted into the Rock and Roll Hall of Fame twice for Buffalo Springfield and Crosby, Stills & Nash, is a member of the Songwriter’s Hall of Fame, and is a BMI Music Icon.

As renowned for his instrumental virtuosity as for writing era-defining anthems including “For What It’s Worth” and “Love The One You’re With,” Stills is ranked No. 28 on Rolling Stone’s list of the 100 Greatest Guitarists of All Time, calling his acoustic picking on “Suite: Judy Blue Eyes” “a paragon of unplugged beauty.” Three of his albums are among Rolling Stone’s 500 Greatest Albums of All Time.

Stills lived in Gainesville during the 1950s when he attended J.J. Finley Elementary School and again in the early 1960s, when he attended Gainesville High School. The 1963 GHS yearbook shows that Stills was in the marching band, the chorus and played guitar in the group called The Accidental Trio. He remembers selling soft drinks in UF’s stadium during football games.

Still also briefly enrolled in UF in 1963 before leaving for New York City to try his hand at performing. He donated generously toward the construction of what is now the George Steinbrenner Band Building, home to the Stephen Stills Rehearsal Room, in the College of the Arts’ School of Music.

Stills rose to national and international fame with Buffalo Springfield, which formed in Los Angeles in 1966. He continues to tour and record. Stills finished his most recent tour with Judy Collins, following the release of their 2017 album Stills & Collins, in November.

Alongside music, Stills lends his support to a number of causes including this year’s 5th Light Up The Blues Concert, held at the Dolby Theatre in Los Angeles. Hosted by Stills and his wife, Kristen, the concerts have been emceed by Jack Black, featured a variety of artists and raised over $1.8 million for Autism Speaks’ research and advocacy efforts.

What Makes a University Great?

Some interesting facts about the University of Florida

Educational Excellence

UF is consistently ranked among the nation’s top universities: No. 8 in U.S. News & World Report “Top Public Universities” (2018); No. 12 in the Wall Street Journal/Times Higher Education list of Best Public Colleges (2017); No. 3 on the Forbes’ list of Best Value Public Universities (2017); No. 1 on Value Colleges’ list of Top 50 Best Value Colleges (2016); and No. 1 on the Times Higher Education list of best public universities for employers to find new hires.

Faculty

• UF has nearly 5,000 faculty members with distinguished records in teaching, research and service, including 36 Eminent Scholar chairs and 45 faculty elections to the National Academy of Sciences, Engineering, the National Academy of Medicine or the American Academy of Arts and Sciences.

• Awards include two Pulitzer Prizes, NASA’s top award for research, and the Smithsonian Institution’s conservation award.

Students

• Ninety-seven percent of incoming freshmen score above the national average (1500/21) on standardized exams. Students admitted for the fall 2018 freshman class had an average 4.45 GPA and an average SAT score of 1370.

• The freshman retention rate of 96 percent is among the highest in the country.

• UF awards more professional degrees to African American, Hispanic and other minority students than any other public university in the Association of American Universities (2014-15).

• Sixty-seven percent of UF full-time freshmen graduate in four years (2011-12 cohort), and 87 percent of UF freshmen graduate within six years (2009-10 cohort).

• Fifty-seven percent of UF graduates leave the university with no student-loan debt. For the remaining students, their average indebtedness is about $21,603, as compared with the national average of more than $30,000 (2015-16).
**Chain of Office**

This custom-made ornament is worn with the president’s regalia, symbolizing the authority and responsibilities of the office. The chain is engraved with the names and service years of the university presidents. The medallion’s centerpiece is a 1.3-carat diamond.

**Academic Mace**

Dating back to the Middle Ages, the mace symbolizes strength and authority. The UF ceremonial mace was created for the university’s sesquicentennial celebration in 2003. The 70-inch staff features an alligator sitting atop a globe. The four pillars supporting the globe represent the four original colleges: Agriculture, Engineering, Law, and Liberal Arts. The staff is carved from cherry wood. The university’s chief marshal, who leads all academic processions, carries the mace.

**Diplomas**

Diplomas will be mailed to the graduate’s permanent home mailing address in February 2019.
Caps and Gowns, An Explanation

The academic regalia worn by graduating students and faculty at today’s commencement ceremonies evolved from a style of dress worn by members of guilds and religious orders in medieval times. The academic gown is worn by individuals who have earned a degree in higher education. In addition, hoods are worn by graduate degree candidates, but not by undergraduate degree candidates.

At the University of Florida, the lining of the hood has a blue chevron on an orange background to represent the university colors. University faculty members who hold degrees from another college or university wear the colors of their alma mater.

The velvet edging on the academic hood is the color that represents the particular degree held by the wearer. Agricultural and Life Sciences and Forest Resources and Conservation share maize edging; Design, Construction and Planning and Building Construction are blue violet; Audiology degrees have colonial blue edging; Business Administration and Accounting are drab; Dentistry is lilac; Education is light blue; Engineering degrees are represented by orange edging; Fine Arts degrees have brown edging; Health and Human Performance is sage green; Journalism and Communications is garnet; Law is purple; Liberal Arts is white and Liberal Sciences is gold yellow; Medicine is green; Music is pink; Natural Resources and Environment is antique gold; Nursing is apricot; Doctor of Pharmacy is olive; Philosophy is royal blue; Public Health degrees have salmon pink edging; Rehabilitation Counseling degrees have Nile green edging; and Veterinary Medicine is gray.

Distinctions among sleeves indicate the type of degree held by the wearer. A long, pointed sleeve indicates a bachelor’s degree, while a long, closed sleeve with a slit near the upper part of the arm designates a master’s degree. A round, open sleeve identifies a doctoral degree.

The doctoral regalia also has velvet running on the rest of the gown, including cross bars on the sleeve. Colored tassels on the degree candidates’ caps indicate a candidate’s school or college.
Alma Mater

*Florida, our Alma Mater*
Thy glorious name we praise
All thy loyal sons and daughters
A joyous song shall raise.
Where palm and pine are blowing,
Where southern seas are flowing,
Shine forth thy noble Gothic walls,
Thy lovely vine-clad halls.
Neath the Orange and Blue victorious
Our love shall never fail.
There’s no other name so glorious—
All hail, Florida, Hail!

*Milton Yeats*
